**Care of Clothing:**

Wash all garments only according to manufacturer's tag instruction. For best results with embroidered items, dry on low until damp, then hang to dry completely. Expect 100% cotton items to shrink if they are not described as "pre-shrunk" and order sizing according to this expectation. Returns are not made based on sizing or shrinkage.

**Warranty/Return Policy:**

All items purchased will be imprinted with the Allen College logo. These imprinted items cannot be returned or exchanged unless there is a manufacturer's defect in the actual merchandise.

To prevent issue, we are working only with vendors proven to provide the best quality merchandise in the industry. If you have a question regarding merchandise defects, please contact us by calling 319-242-1294 or emailing [adamajigorders@gmail.com](mailto:adamajigorders@gmail.com) within 30 days of product receipt. Requests will be evaluated on a case by case basis.
