Pricing is for one print location only; if printing front and back, the back print is discounted 50%

Frequently Asked Questions

• **How do I know what my total price is?**

Select your product to get blank pricing, add this pricing to the printing price. *It's that simple...*

• **What if I want a T-Shirt with printing on front, back and a sleeve print?**

Additional print locations are half the price of the first print location

• **Are there any setup or screen fees?**

“NO” There are no additional screen or setup fees. In an effort to simplify ordering, these cost have been calculated into the pricing you see.

• **How do I go about getting the artwork for our order? Is there a cost for artwork?
What if I have my own artwork?**

Just give us an idea via email, phone or fax and we will email or fax you back a art proof with your concept. Once this is approved, we will move forward with production. Artwork is \$25 an hour. 85% of jobs are one hour or less. **IF ART IS SIMPLE THERE IS NO CHARGE**. If you are supplying your own artwork the following formats are preferred. (.ai, eps, cdr,) we will accept high resolution jpegs, pdf, psd. If you don't have access to these formats, we will work together to come up with a solution.

• **Is there a deposit, and what form of payment is accepted?**

Yes there is a 50% deposit on all orders. We accept most major credit cards, checks, and government PO numbers. Cash is also accepted if your order is being delivered via our truck.

• **How long will it take to get my order?**

Standard lead time is one week. The sooner artwork is approved the sooner orders are printed. if your order is needed earlier than one week, let us know and we will do our best to accommodate your request.
