## **About the Owner**

Elizabeth Uminski.

Liz bought the company from Monica Mulligan who still helps her out from time to time. Liz has rapidly turned ***All About Embroidery*** from a part time extra income, to a full time, home based company. She now services a large portion of Western WA, and out of state clients with her working class, to business class, to all sporting events and activities. She screen prints and embroideries all track teams, drill teams, cheer leaders, letterman jackets and clothing of any kind. Her clothing line is of the highest quality for the kid who wears them out, to the adult who wants stylish apparel.
